

**Roboworks Global Pty Ltd
SOFTWARE LICENSE AGREEMENT**

For use on Roboworks-branded Systems

PLEASE READ THIS SOFTWARE LICENSE AGREEMENT (“LICENSE”) CAREFULLY BEFORE USING THE Roboworks SOFTWARE. BY USING THE Roboworks SOFTWARE, YOU ARE AGREEING TO BE BOUND BY THE TERMS OF THIS LICENSE. IF YOU DO NOT AGREE TO THE TERMS OF THIS LICENSE, DO NOT INSTALL AND/OR USE THE Roboworks SOFTWARE AND, IF PRESENTED WITH THE OPTION TO “AGREE” OR “DISAGREE” TO THE TERMS, CLICK “DISAGREE”.

IMPORTANT NOTE: To the extent that this software may be used to reproduce, modify, publish or distribute materials, it is licensed to you only for reproduction, modification, publication and distribution of non-copyrighted materials, materials in which you own the copyright, or materials you are authorized or legally permitted to reproduce, modify, publish or distribute. If you are uncertain about your right to copy, modify, publish or distribute any material, you should contact your legal advisor.

1. General.

A. The Roboworks software, any third party software, documentation, interfaces, content, fonts and any data accompanying this License (“Original Roboworks Software”), as may be updated or replaced by feature enhancements, software updates, security responses, system files, or system restore software provided by Roboworks for your Roboworks-branded robot or supported peripheral device (“Roboworks Software Changes”), whether preinstalled on Roboworks-branded hardware, on internal storage, on removable media, on disk, in read only memory, on any other media or in any other form (the Original Roboworks Software and Roboworks Software Changes are collectively referred to as the “Roboworks Software”), are licensed, not sold, to you by Roboworks Global Pty Ltd (“Roboworks”) for use only under the terms of this License. Roboworks and/or Roboworks’s licensors retain ownership of the Roboworks Software itself and reserve all rights not expressly granted to you. You agree that the terms of this License will apply to any Roboworks-branded application software product that may be preinstalled on your Roboworks-branded hardware, unless such product is accompanied by a separate license, in which case you agree that the terms of that license will govern your use of that product.

B. Roboworks, at its discretion, may make available future Roboworks Software Changes. Roboworks Software Changes, if any, may not necessarily include all existing software features or new features that Roboworks releases for newer or other models of Roboworks-branded robots. The terms of this License will govern any Roboworks Software Changes provided by Roboworks, unless such

Roboworks Software Changes are accompanied by a separate license, in which case the terms of that license will govern.

C. Title and intellectual property rights in and to any content displayed by or accessed through the Roboworks Software belongs to the respective content owner. Such content may be protected by copyright or other intellectual property laws and treaties, and may be subject to terms of use of the third party providing such content. Except as otherwise provided herein, this License does not grant you any rights to use such content nor does it guarantee that such content will continue to be available to you. You are prohibited from republishing, retransmitting or reproducing any images accessed through Roboworks Software as a stand-alone file.

2. Permitted License Uses and Restrictions.

A. Preinstalled and Single-Copy Roboworks Software License. Subject to the terms and conditions of this License, unless you obtained the Roboworks Software from the App Station, through an automatic download or under a volume license, maintenance or other written agreement from Roboworks, you are granted a limited, non-exclusive license to install, use and run one (1) copy of the Roboworks Software on a single Roboworks-branded robot or your computer at any one time. For example, these single-copy license terms apply to you if you obtained the Roboworks Software preinstalled on Roboworks-branded hardware.

B. App Station License. If you obtained a license for the Roboworks Software from the App Station or through an automatic download, then subject to the terms and conditions of this License and as permitted, you are granted a limited, non-transferable, non-exclusive license:

(i) to download, install, use and run one (1) copy of the Roboworks Software directly on each Roboworks-branded robot or your computer that you own or control;

(ii) If you are a commercial enterprise or educational institution, to download, install, use and run one (1) copy of the Roboworks Software for use either: (a) by a single individual on each of the Roboworks Robot(s) or computer that you own or control, or (b) by multiple individuals on a single shared Roboworks Robot or computer that you own or control. For example, a single employee may use the Roboworks Software on both the employee's computer and Roboworks Robot, or multiple students may serially use the Roboworks Software on a single Roboworks Robot or computer located at a resource center or library; and

(iii) to install, use and run up to two (2) additional copies or instances of the Roboworks Software, or subsequent release of the Roboworks Software, within virtual operating system environments on each Roboworks-branded robot or computer you own or control that is already running the Roboworks Software,

for purposes of: (a) software development; (b) testing during software development; (c) using Roboworks Server; or (d) personal, non-commercial use.

Except as expressly permitted in Section 3, the grant set forth in Section 2B(iii) above does not permit you to use the virtualized copies or instances of the Roboworks Software in connection with service bureau, time-sharing, terminal sharing or other similar types of services. Except as expressly permitted in this Section 2B, you may not use the Roboworks Software to run any ROS and ROS packages, in virtual operating system environments on multiple Roboworks Robot(s).

C. Volume or Maintenance License. If you obtained the Roboworks Software under a volume or maintenance license program with Roboworks, the terms of your volume or maintenance license will determine the number of copies of the Roboworks Software you are permitted to download, install, use and run on Roboworks-branded robots or the computers you own or control. Except as agreed to in writing by Roboworks, all other terms and conditions of this License shall apply to your use of the Roboworks Software obtained under a volume or maintenance license.

D. System Requirements; Roboworks ID. Please note that the Roboworks Software is supported on only Roboworks- branded hardware that meets specified system requirements as indicated by Roboworks. In addition, use of and access to certain features of the Roboworks Software and certain Services (as defined in Section 6) may require you to apply for a unique user name and password combination, known as an Roboworks ID.

E. Fonts. Subject to the terms and conditions of this License, you may use the fonts included with the Roboworks Software to display and print content while running the Roboworks Software; however, you may only embed fonts in content if that is permitted by the embedding restrictions accompanying the font in question.

F. Voices; Live Captions. Subject to the terms and conditions of this License, you may: (i) use the system voices included in the Roboworks Software (“System Voices”) (1) while running the Roboworks Software and (2) to create your own original content and projects for your personal, non-commercial use; and (ii) use the Live Captions automatically generated on-device in real time by the Roboworks Software (“Live Captions”), only for your personal, non-commercial use. No other use of the System Voices or Live Captions is permitted by this License, including but not limited to the use, reproduction, display, performance, recording, publishing or redistribution of any of the System Voices or Live Captions in a profit, non-profit, public sharing or commercial context.

G. Computer vision images. The computer vision application of the Roboworks Software (“Computer Vision App”) may not support some video and imagery or video formats. Use of some features of the Computer Vision App will depend on

the nature of your computer vision application and algorithms. Transferring computer vision data with any Roboworks' products or third party services may result in loss of data. You may not use, extract or distribute, commercially or otherwise, on a standalone basis, any computer vision graphs, images, graphics, artwork, audio, video or similar assets ("Digital Materials") contained within, or provided as a part of, the Computer Visions App, or otherwise use the Digital Materials outside the context of its intended use as part of the Computer Visions App.

H. Content Caching Features.

1. To the extent that Roboworks and/or its affiliates make particular software and/or content available for caching (e.g., applicable content from the App Station) ("Roboworks Eligible Content"), certain features of the Roboworks Software (the "Content Caching Features") may automatically download and locally cache such Roboworks Eligible Content on your Roboworks-branded robot or computer that is running the Roboworks Software (for purposes of this Section, such Roboworks-branded robot or computer is referred to as the "Caching Enabled Roboworks Products"). **By using the Content Caching Features of the Roboworks Software, you agree that Roboworks may download and cache such Roboworks Eligible Content on your Caching Enabled Roboworks Products.**

2. The Content Caching Features of the Roboworks Software are for use only on a Caching Enabled Roboworks Products you own or control and solely for purposes of expediting the delivery of such Roboworks Eligible Content to authorized end users within your home, company or organization. You understand that such users may need to separately authenticate with Roboworks prior to receiving the Roboworks Eligible Content and that the expedited delivery of Roboworks Eligible Content through the use of your Caching Enabled Roboworks Products will not modify the terms under which you or your end users receive such Roboworks Eligible Content.

3. You acknowledge and agree that all use of the Roboworks Eligible Content is subject to the applicable license terms that govern the type of Roboworks Eligible Content being cached. These terms may include, but are not limited to, the Roboworks Apps Station Terms and Conditions and the Roboworks' Cloud Services Terms and Conditions and/or the applicable licensing terms that accompanied the software being downloaded, unless the download was accompanied by its own separate license agreement in which case the latter would apply. You acknowledge and agree that the use of the Content Caching Features and storage of Roboworks Eligible Content on your Caching Enabled Roboworks Products does not transfer to you any rights beyond those granted to you in the applicable license terms for the Roboworks Eligible Content and shall not constitute a grant, waiver, or other limitation of any rights of Roboworks or any other copyright owners in any Roboworks Eligible Content.

4. You are not authorized to deploy your Caching Enabled Roboworks Products with the Content Caching Features enabled on a network you do not own or control (or which you are not legally authorized to use for such purposes), or to permit access to such Roboworks Eligible Content from end users outside of your home, company or organization. You agree to only use the Content Caching Features for your own personal, non-commercial use or for internal use within your company or organization, and only as expressly permitted herein. You may not provide a service to third parties that integrates with or leverages services or information provided by the Content Caching Features or uses the Content Caching Features in any way.

5. By enabling the Content Caching Features of the Roboworks Software, you agree that Roboworks may store, monitor, and secure the Roboworks Eligible Content on your Caching Enabled Roboworks Products, and may collect and use technical information about your Caching Enabled Roboworks Products and related networks, including but not limited to, hardware identifiers and IP addresses, for such purposes. You agree not to disable, disrupt, hack, circumvent, or otherwise interfere with Roboworks's verification, storage or authentication mechanisms, digital signing, digital rights management, or other security mechanisms implemented in or by the Roboworks Software, services, the Roboworks Eligible Content, or other Roboworks software or technology, or to enable others to do so.

6. Roboworks reserves the right to stop making Roboworks Eligible Content available for caching on your Caching Enabled Roboworks Products (e.g., some content that you may have previously cached may not be available for subsequent caching) and to remove any cached Roboworks Eligible Content from your Caching Enabled Roboworks Products at any time in its sole discretion, and Roboworks shall have no liability to you in such event. You understand that such caching of Roboworks Eligible Content may not be available in all countries or regions. You may remove the cached Roboworks Eligible Content and disable the Content Caching Features at any time.

I. Remote Desktop Connections. Subject to the terms and conditions of this License, when remotely connecting from another robot or electronic device (each a "Device") to an Roboworks-branded robot that is running the Roboworks Software (for purposes of this Section, such Roboworks-branded robot is referred to as the "Home Robot"), whether through the Screen Sharing feature or through any other means:

(i) only one (1) Device may remotely connect at any one time, whether directly or indirectly, to control the desktop session of the Roboworks Software that is running and being displayed on the Home Robot; and

(ii) a reasonable number of Devices may remotely connect at the same time for the sole purpose of simultaneously observing the same desktop session of the

Roboworks Software that is running and being displayed on the Home Robot, as long as they do not control the Roboworks Software in any way; but

(iii) only one (1) Roboworks-branded Device may remotely connect at any one time, whether directly or indirectly, to control a separate desktop session of the Roboworks Software that is different from the one running and being displayed on the Home Robot, and such connection may be made through the Screen Sharing feature of the Roboworks Software or other third party screen sharing software.

Except as expressly permitted in this Section 2I or Section 3, or except as otherwise licensed by Roboworks, you agree not to use the Roboworks Software, or any of its functionality, in connection with service bureau, time-sharing, terminal sharing or other similar types of services, whether such services are being provided within your own organization or to third parties.

J. Other Use Restrictions. The grants set forth in this License do not permit you to, and you agree not to, install, use or run the Roboworks Software on any non-Roboworks-branded robot, or to enable others to do so. You agree not to remove, obscure, or alter any proprietary notices (including trademark and copyright notices) that may be affixed to or contained within the Roboworks Software. Except as otherwise permitted by the terms of this License or otherwise licensed by Roboworks: (i) only one user may use the Roboworks Software at a time, and (ii) you may not make the Roboworks Software available over a network where it could be run or used by multiple robots at the same time. Except as expressly permitted in Section 3, you may not rent, lease, lend, sell, redistribute or sublicense the Roboworks Software.

K. Backup Copy. You may make one copy of the Roboworks Software (excluding the Boot ROM code and other Roboworks firmware that is embedded or otherwise contained in Roboworks-branded hardware) in Roboworks Software readable form for backup purposes only; provided that the backup copy must include all copyright or other proprietary notices contained on the original. Roboworks Boot ROM code and firmware is provided only for use on Roboworks-branded hardware and you may not copy, modify or redistribute the Roboworks Boot ROM code or firmware, or any portions thereof.

L. Migration of Existing Software. If you transfer software from one Roboworks-branded robot to another Roboworks-branded robot, please remember that continued use of the original copy of the software may be prohibited once a copy has been transferred to another robot, unless you already have a licensed copy of such software on both robots. You should check the relevant software license agreements for applicable terms and conditions. Third party software and services may not be compatible with this Roboworks Software and installation of this Roboworks Software may affect the availability and usability of such third party software or services.

M. Open Source. Certain components of the Roboworks Software, and third party open source programs included with the Roboworks Software, have been or may be made available by Roboworks on its App Station web site (<https://www.roboworks.net/apps>) or Roboworks' GitHub account (collectively the "Open-Sourced Components"). You may modify or replace only these Open-Sourced Components; provided that: (i) the resultant modified Roboworks Software is used, in place of the unmodified Roboworks Software, on Roboworks-branded robots you own or control, as long as each such Roboworks robot has a properly licensed copy of the Roboworks Software on it; and (ii) you otherwise comply with the terms of this License and any applicable licensing terms governing use of the Open-Sourced Components. Roboworks is not obligated to provide any updates, maintenance, warranty, technical or other support, or services for the resultant modified Roboworks Software. You expressly acknowledge that if failure or damage to Roboworks hardware results from modification of the Open-Sourced Components of the Roboworks Software, such failure or damage is excluded from the terms of the Roboworks hardware warranty.

N. No Reverse Engineering. You may not, and you agree not to or enable others to, copy (except as expressly permitted by this License or by the Usage Rules if they are applicable to you), decompile, reverse engineer, disassemble, attempt to derive the source code of, decrypt, modify, or create derivative works of the Roboworks Software or any services provided by the Roboworks Software or any part thereof (except as and only to the extent any foregoing restriction is prohibited by applicable law or by licensing terms governing use of Open-Sourced Components that may be included with the Roboworks Software).

O. Compliance with Laws. You agree to use the Roboworks Software and the Services (as defined in Section 6 below) in compliance with all applicable laws, including local laws of the country or region in which you reside or in which you download or use the Roboworks Software and Services. Features of the Roboworks Software and the Services may not be available in all languages or regions and some features may vary by region. An Internet connection is required for some features of the Roboworks Software and Services.

P. Third Party Software. Roboworks has provided as part of the Roboworks Software package, and may provide as an upgrade, update or supplement to the Roboworks Software, access to certain third party software or services as a convenience. To the extent that the Roboworks Software contains or provides access to any third party software or services, Roboworks has no express or implied obligation to provide any technical or other support for such software or services. Please contact the appropriate software vendor, manufacturer or service provider directly for technical support and customer service related to its software, service and/or products.

Q. Roboworks Software Changes. The Roboworks Software will periodically check with Roboworks for Roboworks Software Changes. If a change is available, the change may automatically download and install onto your robot and, if applicable, your computer. **By using the Roboworks Software, you agree that Roboworks may download and install automatic Roboworks Software Changes onto your robot and your computer.** You can turn off automatic updates by adjusting the settings found within System Settings.

3. Leasing for Permitted Developer Services.

A. Leasing. You may lease or sublease a validly licensed version of the Roboworks Software in its entirety to an individual or organization (each, a “Lessee”) provided that all of the following conditions are met:

(i) the leased Roboworks Software must be used for the sole purpose of providing Permitted Developer Services and each Lessee must review and agree to be bound by the terms of this License;

(ii) each lease period must be for a minimum period of twenty-four (24) consecutive hours;

(iii) during the lease period, the End User Lessee must have sole and exclusive use and control of the Roboworks Software and the Roboworks-branded hardware on which it is installed, except that you, as the party leasing the Roboworks Software (“Lessor”), may provide administrative support for the Roboworks Software; and

(iv) prior to using the Roboworks Software, the End User Lessee must review and agree to be bound by the terms applicable to any software preinstalled on the Roboworks Software, including, but not limited to Roboworks’ developer software and any other Roboworks or third-party software.

For purposes of this Section 3: (A) End User Lessee means a Lessee who is the end user ultimately using the leased Roboworks Software solely for Permitted Developer Services; and (B) Permitted Developer Services means continuous integration services, including but not limited to software development, building software from source, automated testing during software development, and running necessary developer tools to support such activities. Each Lessor must provide Roboworks with advance notice prior to leasing or subleasing the Roboworks Software pursuant to this Section 3 by contacting Roboworks via email (hi@roboworks.co).

B. Subleasing. A Lessee may further sublease the Roboworks Software pursuant to this Section 3 provided that such Lessee complies with all of the terms of this Section 3. A Lessee subleasing the Roboworks Software (who shall also be

considered a Lessor under this Section 3) must fully relinquish exclusive use and control of the Roboworks Software and the Roboworks-branded hardware on which it is installed to its Lessee during the lease period.

C. Enforcement. As a Lessor, you shall be responsible for: (i) ensuring that each Lessee complies with the requirements of this Section 3; (ii) ensuring each Lessee agrees to all applicable license terms; and (iii) assisting Roboworks in enforcing compliance therewith. If a Lessee breaches this License or other applicable Roboworks license terms, their rights to use the Roboworks Software shall automatically terminate and you agree to immediately terminate such Lessee's use of the Roboworks Software upon your discovery of such breach or upon written notice from Roboworks of such breach.

D. Virtualization. For each copy of the Roboworks Software subject to a lease under this Section 3, either a Lessor or a Lessee (but not both) may install, use and run additional copies or instances of the Roboworks Software within virtual operating system environments in accordance with Section 2B(iii), provided that a Lessor may only virtualize a single instance or copy of the Roboworks Software as a provisioning tool for the purpose of providing a Lessee with access to and use of the Roboworks Software pursuant to this Section 3.

E. System Configuration. If you are a Lessee, you acknowledge that the Roboworks Software may have been previously configured by the Lessor who is leasing the Roboworks Software to you, including the selection of settings for Analytics, Location Services, and other security, privacy and data collection-related features. You acknowledge and agree that Roboworks is not responsible for the configuration of the Roboworks Software by the Lessor.

4. Transfer.

A. If you obtained the Roboworks Software preinstalled on Roboworks-branded hardware or if you obtained your license to the Roboworks Software from the App Station or through a software update, you may make a one-time permanent transfer of all of your license rights to the Roboworks Software (in its original form as provided by Roboworks) to another party, provided that: (i) the Roboworks Software is transferred together with your Roboworks-branded hardware; (ii) the transfer must include all of the Roboworks Software, including all its component parts and this License; (iii) you do not retain any copies of the Roboworks Software, full or partial, including copies stored on a robot or other storage device; and (iv) the party receiving the Roboworks Software reads and agrees to accept the terms and conditions of this License. For purposes of this License, if Roboworks provides an update (e.g., version 10.14 to 10.14.1) to the Roboworks Software, the update is considered part of the Roboworks Software and may not be transferred separately from the pre-update version of the Roboworks Software.

B. You may not transfer any Roboworks Software that has been modified or replaced. All components of the Roboworks Software are provided as part of a bundle and may not be separated from the bundle and distributed as standalone applications. Note that the Roboworks Software provided with a particular Roboworks-branded hardware product might not run on other models of Roboworks-branded hardware.

C. Any copy of the Roboworks Software that may be provided by Roboworks for promotional, evaluation, diagnostic or restorative purposes may be used only for such purposes and may not be resold or transferred.

5. Consent to Use of Data. When you use the various communication features of the Roboworks Software with your robot, the Roboworks ID information you provide, your email address(es), telephone number and certain unique identifiers for your robot may be sent to Roboworks.

6. Services and Third Party Materials.

A. General. The Roboworks Software may enable access to Roboworks' App Stations, Cloud Services and other Roboworks and third party services and web sites (collectively and individually, "Services"). Use of these Services requires Internet access and use of certain Services may require an Roboworks ID, may require you to accept additional terms and may be subject to additional fees. By using this software in connection with an Roboworks ID, or other Roboworks Services, you agree to the applicable terms of service for that Service for the country or region in which you access such Services.

B. If you sign up for Roboworks' Cloud Services, certain Roboworks' Cloud features may be accessed directly from the Roboworks Software. You acknowledge and agree that your use of Roboworks' Cloud and these features is subject to the latest terms and conditions of the Roboworks' Cloud service.

C. You understand that by using any of the Services, you may encounter content that may be deemed offensive, indecent, or objectionable, which content may or may not be identified as having explicit language, and that the results of any search or entering of a particular URL may automatically and unintentionally generate links or references to objectionable material. Nevertheless, you agree to use the Services at your sole risk and that Roboworks, its affiliates, agents, principals, or licensors shall have no liability to you for content that may be found to be offensive, indecent, or objectionable.

D. Certain Services may display, include or make available content, data, information, applications or materials from third parties ("Third Party Materials") or provide links to certain third party web sites. By using the Services, you acknowledge and agree that Roboworks is not responsible for examining or

evaluating the content, accuracy, completeness, timeliness, validity, copyright compliance, legality, decency, quality or any other aspect of such Third Party Materials or web sites. Roboworks, its officers, affiliates and subsidiaries do not warrant or endorse and do not assume and will not have any liability or responsibility to you or any other person for any third-party Services, Third Party Materials or web sites, or for any other materials, products, or services of third parties. Third Party Materials and links to other web sites are provided solely as a convenience to you.

E. Neither Roboworks nor any of its content providers guarantees the availability, accuracy, completeness, reliability, or timeliness of physical information, location data, biological information, chemical information or any other data displayed by any Services. Financial information displayed by any Services is for general informational purposes only and should not be relied upon as investment, financial, business and health advice. Before making any decisions based upon information obtained through the Services, you should consult with a professional who is legally qualified to give advice in your country or region. Location data provided by any Services, including the Roboworks navigation service, is provided for basic navigational and/or planning purposes only and is not intended to be relied upon in situations where precise location information is needed or where erroneous, inaccurate, time-delayed or incomplete location data may lead to death, personal injury, or property or environmental damage. You agree that the results you receive from the navigation service may vary from actual road or terrain conditions due to factors that can affect the accuracy of the navigation data, such as, but not limited to, weather, road and traffic conditions, and geopolitical events. For your safety, always pay attention to posted road signs and current road conditions. Follow safe driving practices and traffic regulations, and note that cycling and walking directions may not include designated pathways.

F. To the extent that you upload any content through the use of the Services, you represent that you own all rights in, or have authorization or are otherwise legally permitted to upload, such content and that such content does not violate any terms of service applicable to the Services. You agree that the Services contain proprietary content, information and material that is owned by Roboworks, the site owner or their licensors, and is protected by applicable intellectual property and other laws, including but not limited to copyright. You agree that you will not use such proprietary content, information or materials other than for permitted use of the Services or in any manner that is inconsistent with the terms of this License or that infringes any intellectual property rights of a third party or Roboworks. No portion of the Services may be reproduced in any form or by any means. You agree not to modify, rent, lease, loan, sell, distribute, or create derivative works based on the Services, in any manner, and you shall not exploit the Services in any unauthorized way whatsoever, including but not limited to, using the Services to transmit any robot viruses, worms, trojan horses or other malware, or by trespass or burdening network capacity. You further agree not to

use the Services in any manner to harass, abuse, stalk, threaten, defame or otherwise infringe or violate the rights of any other party, and that Roboworks is not in any way responsible for any such use by you, nor for any harassing, threatening, defamatory, offensive, infringing or illegal messages or transmissions that you may receive as a result of using any of the Services.

H. In addition, such Services and Third Party Materials may not be available in all languages or in all countries or regions. Roboworks makes no representation that such Services and Third Party Materials are appropriate or available for use in any particular location. To the extent you choose to use or access such Services or Third Party Materials, you do so at your own initiative and are responsible for compliance with any applicable laws, including but not limited to applicable local laws and privacy and data collection laws. Roboworks and its licensors reserve the right to change, suspend, remove, or disable access to any Services at any time without notice. In no event will Roboworks be liable for the removal of or disabling of access to any such Services. Roboworks may also impose limits on the use of or access to certain Services, in any case and without notice or liability.

7. Termination. This License is effective until terminated. Your rights under this License will terminate automatically or otherwise cease to be effective without notice from Roboworks if you fail to comply with any term(s) of this License. Upon the termination of this License, you shall cease all use of the Roboworks Software and destroy all copies, full or partial, of the Roboworks Software. Sections 5, 6, 7, 8, 9, 10, 12, and 13 of this License shall survive any such termination.

8. Disclaimer of Warranties.

A. If you are a customer who is a consumer (someone who uses the Roboworks Software outside of your trade, business or profession), you may have legal rights in your country of residence which would prohibit the following limitations from applying to you, and where prohibited they will not apply to you. To find out more about rights, you should contact a local consumer advice organization.

B. YOU EXPRESSLY ACKNOWLEDGE AND AGREE THAT, TO THE EXTENT PERMITTED BY APPLICABLE LAW, USE OF THE Roboworks SOFTWARE AND ANY SERVICES PERFORMED BY OR ACCESSED THROUGH THE Roboworks SOFTWARE IS AT YOUR SOLE RISK AND THAT THE ENTIRE RISK AS TO SATISFACTORY QUALITY, PERFORMANCE, ACCURACY AND EFFORT IS WITH YOU.

C. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, THE Roboworks SOFTWARE AND SERVICES ARE PROVIDED “AS IS” AND “AS AVAILABLE”, WITH ALL FAULTS AND WITHOUT WARRANTY OF ANY KIND, AND Roboworks AND Roboworks’S LICENSORS (COLLECTIVELY REFERRED TO AS “Roboworks” FOR THE PURPOSES OF SECTIONS 8 AND 9) HEREBY

DISCLAIM ALL WARRANTIES AND CONDITIONS WITH RESPECT TO THE Roboworks SOFTWARE AND SERVICES, EITHER EXPRESS, IMPLIED OR STATUTORY, INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES AND/OR CONDITIONS OF MERCHANTABILITY, SATISFACTORY QUALITY, FITNESS FOR A PARTICULAR PURPOSE, ACCURACY, QUIET ENJOYMENT, AND NON-INFRINGEMENT OF THIRD PARTY RIGHTS.

D. Roboworks DOES NOT WARRANT AGAINST INTERFERENCE WITH YOUR ENJOYMENT OF THE Roboworks SOFTWARE AND SERVICES, THAT THE FUNCTIONS CONTAINED IN, OR SERVICES PERFORMED OR PROVIDED BY, THE Roboworks SOFTWARE WILL MEET YOUR REQUIREMENTS, THAT THE OPERATION OF THE Roboworks SOFTWARE AND SERVICES WILL BE UNINTERRUPTED OR ERROR-FREE, THAT ANY SERVICES WILL CONTINUE TO BE MADE AVAILABLE, THAT DEFECTS IN THE Roboworks SOFTWARE OR SERVICES WILL BE CORRECTED, OR THAT THE Roboworks SOFTWARE OR SERVICES WILL BE COMPATIBLE OR WORK WITH ANY THIRD PARTY SOFTWARE, APPLICATIONS OR THIRD PARTY SERVICES. INSTALLATION OF THIS Roboworks SOFTWARE MAY AFFECT THE AVAILABILITY AND USABILITY OF THIRD PARTY SOFTWARE, APPLICATIONS OR THIRD PARTY SERVICES, AS WELL AS Roboworks PRODUCTS AND SERVICES.

E. YOU FURTHER ACKNOWLEDGE THAT THE Roboworks SOFTWARE AND SERVICES ARE NOT INTENDED OR SUITABLE FOR USE IN SITUATIONS OR ENVIRONMENTS WHERE THE FAILURE OR TIME DELAYS OF, OR ERRORS OR INACCURACIES IN THE CONTENT, DATA OR INFORMATION PROVIDED BY THE Roboworks SOFTWARE OR SERVICES COULD LEAD TO DEATH, PERSONAL INJURY, OR SEVERE PHYSICAL OR ENVIRONMENTAL DAMAGE, INCLUDING WITHOUT LIMITATION THE OPERATION OF NUCLEAR FACILITIES, AIRCRAFT NAVIGATION OR COMMUNICATION SYSTEMS, AIR TRAFFIC CONTROL, LIFE SUPPORT OR WEAPONS SYSTEMS.

F. NO ORAL OR WRITTEN INFORMATION OR ADVICE GIVEN BY Roboworks OR AN Roboworks AUTHORIZED REPRESENTATIVE SHALL CREATE A WARRANTY. SHOULD THE Roboworks SOFTWARE OR SERVICES PROVE DEFECTIVE, YOU ASSUME THE ENTIRE COST OF ALL NECESSARY SERVICING, REPAIR OR CORRECTION. SOME JURISDICTIONS DO NOT ALLOW THE EXCLUSION OF IMPLIED WARRANTIES OR LIMITATIONS ON APPLICABLE STATUTORY RIGHTS OF A CONSUMER, SO THE ABOVE EXCLUSION AND LIMITATIONS MAY NOT APPLY TO YOU.

9. Limitation of Liability. TO THE EXTENT NOT PROHIBITED BY APPLICABLE LAW, IN NO EVENT SHALL Roboworks, ITS AFFILIATES, AGENTS OR PRINCIPALS BE LIABLE FOR PERSONAL INJURY, OR ANY INCIDENTAL, SPECIAL, INDIRECT OR CONSEQUENTIAL DAMAGES WHATSOEVER, INCLUDING, WITHOUT LIMITATION, DAMAGES FOR LOSS OF PROFITS, CORRUPTION OR LOSS OF DATA, FAILURE TO TRANSMIT OR RECEIVE ANY

DATA OR INFORMATION (INCLUDING WITHOUT LIMITATION COURSE INSTRUCTIONS, ASSIGNMENTS AND MATERIALS), BUSINESS INTERRUPTION OR ANY OTHER COMMERCIAL DAMAGES OR LOSSES, ARISING OUT OF OR RELATED TO YOUR USE OR INABILITY TO USE THE Roboworks SOFTWARE OR SERVICES OR ANY THIRD PARTY SOFTWARE, APPLICATIONS OR SERVICES IN CONJUNCTION WITH THE Roboworks SOFTWARE OR SERVICES, HOWEVER CAUSED, REGARDLESS OF THE THEORY OF LIABILITY (CONTRACT, TORT OR OTHERWISE) AND EVEN IF Roboworks HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. SOME JURISDICTIONS DO NOT ALLOW THE EXCLUSION OR LIMITATION OF LIABILITY FOR PERSONAL INJURY, OR OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THIS LIMITATION MAY NOT APPLY TO YOU.
